JIM HOPSON
PRESIDENT AND CEO

Jim Hopson came on board in 2005 as the Roughriders' first Chief Executive Officer and over the past four years, fans have seen many changes on and off the field. The changes and a focus on excellence in all areas of the operation culminated in the team claiming the 2007 Grey Cup championship. A new level of expectations has been set and Hopson is focused on building long term stability with championship level football and strong business acumen.

There has been a renewed focus on community involvement by the club and a significant number of players are now working in and making Regina their year round home and being very involved in the community. Hopson leads by example as he spends numerous hours in the provincial community speaking to community groups, at charity events, and presenting to business groups.

Off the field, the Riders are continuing to excel as a business as the team continues to attain record profits. Over the past few years, the organization has won Paragon Awards for both marketing and community involvement. These have all been steps in achieving the level of excellence Hopson desires for the organization.

The focus on evolving the business side of the organization has brought forth acknowledgement on a number of levels. In 2008, the Roughriders were named as one of Saskatchewan's Top 100 Companies. Earlier this year Hopson was recognized by Saskatchewan Business Magazine as one of the province's most influential men and most recently was inducted by Junior Achievement into their Business Hall of Fame.

Hopson's role with the Roughriders includes overseeing all of the operations of the football club, and he brings a wealth of knowledge and experience to that role. Prior to re-joining the Roughriders Hopson spent 30 years as a teacher, principal and Director of Education/CEO in Saskatchewan.

Hopson's roots in Saskatchewan football run deep. He began his football career in high school with the Thom Collegiate Trojans. He then went on to play for the Regina Rams prior to joining the Saskatchewan Roughriders in 1973.

Hopson became a starter in 1974 and lined up at guard or tackle for each game during the season. Hopson played four seasons with Saskatchewan and helped open holes for the likes of legendary back George Reed, and in protecting quarterback great Ron Lancaster.

Hopson was able to combine teaching in Lumsden with playing professional football during the 1975 and 1976 seasons, but after playing in the 1976 Grey Cup he retired from football to concentrate on his career in education.

ERIC TILLMAN

GENERAL MANAGER AND VICE-PRESIDENT
OF FOOTBALL OPERATIONS

On August 23, 2006, Eric Tillman was introduced as the new General Manager and Vice-President of Football Operations for the Saskatchewan Roughrider Football Club.

Tillman, via management and broadcasting, has been associated with the Canadian Football League for 18 years. He has served as General Manager of four teams, and holds the distinction of winning Grey Cups with all three non-expansion clubs (BC, Toronto and Saskatchewan). In the nation's capital, the Ottawa Renegades won a very respectable 11 games, four and seven, in their first two seasons. Excluding Ottawa, Tillman has never experienced a losing record in seven years as a CFL General Manager, and his clubs have averaged more than 11 regular season wins per season. He graduated with a Journalism Degree from the University of Mississippi in 1979.

Tillman began his football career in 1981 when he joined the public relations department of the NFL's Houston Oilers. He then moved to the CFL in 1982 when he took the job of Director of Player Personnel with the Montreal Concordes.

In 1984, he became executive director of the prestigious Senior Bowl, held annually in Mobile, Alabama. During his eight years with the NFL-sponsored All-Star game, he gained invaluable contacts in collegiate professional football.

In 1993, he accepted the vacant General Manager position with the B.C. Lions, inheriting a team that had finished 3-15 the previous year. The team went on to win 31 games over the next three seasons which included capturing the Grey Cup in 1994 in Vancouver 26-23 over the Baltimore Stallions thanks to Lui Passaglia's winning field goal. Tillman then left the CFL to head overseas where he worked as the Director of Football Operations for NFL Europe. In that role, Tillman also spent extensive time in the NFL office in New York.

He returned to the CFL in 1997 as the General Manager of the Toronto Argonauts. The Argos went on to capture the Grey Cup that season, knocking off the upstart Roughriders in that game with standout quarterback Doug Flutie at the helm for the Boatmen. Tillman was with Toronto for the 1997 season and the 1999 season as the team's GM. In his most recent General Manager role in the CFL, Tillman worked with the Ottawa Renegades for the expansion clubs' first two seasons prior to heading into broadcasting where he worked with CBC and Sportsnet as a television analyst for the CFL.

Over the course of his career, Tillman has brought many noteworthy players into the CFL, including Jeremy O'Day (multi-year all star), Corey Philpot (whose 22 touchdowns in '95 ranks second in CFL history), Mookie Mitchell (rookie of the year in '97), Kerry Joseph (MOP in '07), and Weston Dressler (rookie of the year in '08).

The 51-year-old was born in Jackson, Mississippi. He and his wife Francine have two children - Alexandra (5) and Jackson (4).

KEN MILLER

HEAD COACH

Miller is entering his second season as head coach of the Saskatchewan Roughriders. Miller joined the Green and White as the team's offensive coordinator in 2007 and was instrumental in a Rider offence that led the CFL in touchdowns before moving on to win the Grey Cup.

Prior to joining the Riders, Miller spent his previous five seasons coaching with the Toronto Argonauts. In 2006 Miller was moved to the defensive side of the ball where he handled the defensive line. From 2003-2005, Miller was in charge of the Argo's offensive line which enabled Damon Allen to have a career season where he was named the league's Most Valuable Player in 2004. The team also went on to win the Grey Cup in that same season. Miller started his CFL coaching career when he was in charge of the Argonaut quarterbacks in 2002.

Prior to joining the CFL, Miller spent nearly four decades in various coaching capacities at the university and high school level in southern California. He joined the University of Redlands as a part-time coach in 1977 instructing the offensive line. In 1984 he made the move to full-time football head coach at Redlands and held that post until 1988. Miller also took up the position of head baseball coach at Redlands in 1986. In 1988, Miller continued coaching baseball, but switched to offensive coordinator on the football team. In 1994, Miller switched to the defensive side of the ball as a coordinator. He moved back to the offensive side of the ball in 1995 and held the offensive coordinator position until his retirement in the spring of 2001.

Miller started his coaching career as a student assistant coach with Dickinson State in 1966. He coached high school football 1967-1969 in Oregon and continued coaching at Yucaipa high school in southern California from 1970-76.

Miller grew up in Oregon and went to Dickinson State where he majored in Physical Education and Biology. He received his Masters in Education from Azusa Pacific.

HISTORY

HISTORY

Organized football in Saskatchewan began on Tuesday, September 13, 1910 with the formation of the Regina Rugby Club. The original idea was for the team to be a rowing club, but three-down football soon found its way to Saskatchewan. The original colours of the Regina Rugby Club were gold and purple. The team lost its first game 7-6 to Moose Jaw.

The next season, the team changed its colours to blue and white to match the Regina Amateur Athletic Association. A third colour change occurred in 1912 when they changed to red and black, which they would keep for the next 36 years.

In 1924, the team changed its name from the Regina Rugby Club to the Regina Roughriders.

Ottawa's Rugby Club had been called the Rough Riders since the 1890's, but dropped it in favor of the "Senators" in 1924. Regina jumped at the chance to adopt the name "Roughriders".

There are two theories on where the name "Roughriders" came from. One states that it came from the North West Mounted Police who were called Roughriders because they broke the wild horse broncos used by the force. The other states there was a Canadian contingent who fought with Teddy Roosevelt in the Spanish-American War. Roosevelt's troops became known as the Roughriders. Following the war, the troops returned to Canada, part settling in Ottawa, and the rest moving out West. The colours of the Roosevelt infantry were red and black.

In 1921, East-West interlocking games began being played for the Canadian Championship symbolized by the Grey Cup.

Lacking suitable opposition in this province, in 1936, Regina banded with Winnipeg to form the Western Conference.

The year 1948 was a milestone one for the Roughriders. With the folding of both clubs in Moose Jaw and Saskatoon, the Regina Roughriders became a provincially-owned and -operated club, surviving only on the undying support from the entire province. They became the SASKATCHEWAN ROUGHRIDERS".

The team also changed its colours in 1948 to the familiar Green and White. The team was in bad need of new uniforms, and when executive member Jack Fyffe found a set of green and white jerseys at a surplus store in Chicago, for pure economic reasons, the 50 year legacy of the "Green and White" was born and has existed to this day.

In 1956, the Roughriders suffered a terrible tragedy when players Gordon Sturtridge (#73), Mel Beckett (#40), Ray Syrnyk (#56) and Mario Demarco (#55) were killed in a plane crash while returning from an all-star game in Vancouver. Flight #810 crashed into Mt. Slesse in the Coastal Mountains just south of Chilliwack, B.C. The four players' uniforms are among the eight Roughrider numbers retired by the club. Dave Ridgway (#36), Ron Lancaster (#23), George Reed (#34) and Roger Aldag (#44) are the others.

Ten years removed from the tragic accident, the Roughriders, with coach Eagle Keys at the helm, saw their first great achievement. By defeating the Ottawa Rough Riders 29-14 in Vancouver's Empire Stadium on November 26th, 1966, Saskatchewan captured its first Grey Cup championship. Lancaster and Reed played key roles in leading the Riders to their first national title.

The Riders remained one of the best teams in the CFL for nearly 15 years, making the post-season every year from 1962 to 1976. Included in that span was five Grey Cup appearances, 1966 (which they won), 1967, '69, '72 and '76.

The Roughriders would update their look one more time in 1985, adding black and silver to the Green and White, and featuring a new stylized 'S' logo.

The team had several lean years during the late-'70s and early 1980s, where poor on-field performances led to even worse gates. However, fans remained positive that a turn-around would soon come and it did, by way of one of the best Grey Cup games ever played.

On November 19, 1989, kicker Dave Ridgway nailed a 35-yard last minute field goal to seal the Roughriders' second ever Grey Cup championship with a 43-40 victory over the Hamilton Tiger-Cats at Toronto's SkyDome.

The Riders reached the pinnacle of the CFL for the third time in the team's history when they captured the Grey Cup in Toronto on November 25, 2007 after defeating the Winnipeg Blue Bombers 23-19.

Canada's Team has now made the playoffs seven straight years, including four appearances in the Western Division Finals since 2003.

Now with three Grey Cup championships, there is no question this team is primed to continue adding to its storied history.

The home of the Saskatchewan Roughriders has a long and proud history. From its earliest days as a simple Rugby field to its current stature as home to the 1995 and 2003 Grey Cups, Mosaic Stadium certainly has a storied past.

The first Rider teams played on the field of Park Hughes (located at the current Mosaic Stadium site). Families would come and circle the rugby field to watch the games. Over the years, temporary seating was put in place for fans, but many came and chose to sit on the grass and watch their favourite team.

In 1927, to accommodate the growing number of fans, Park Hughes and the adjoining Park de Young were reconfigured to provide a better venue. More seating was added, but spectators still showed up and parked their cars at the touchline to watch the action.

In 1936, a number of improvements were made to the field to make the fans more comfortable. Gone were the days of fans sitting along the sideline or jostling for position to see the action. New seating was built to accommodate the growing crowds. Also, a new press box was built and facilities were provided for radio broadcasts of the games.

In 1946, another major improvement was made to Park de Young. Prior to that year, the field at the site had never had turf. Each season, a new load of topsoil was dumped on the field to make it playable. Due to the dry Saskatchewan summers, the park became a dustbowl by the end of the season. But in 1946, the Regina Recreation Board agreed to seed the field to provide a quality surface for games to be played.

The year 1947 marked the renaming of Park de Young. The year before, Neil "Piffles" Taylor passed away. An instrumental part of the early development of the Roughriders, Taylor had been a player, coach, and executive for the team since its founding. Following Taylor's sudden death at the age of 48, the City of Regina renamed the Riders' home, Taylor Field.

In 1948, a $47,000 investment was made to build a 4,500-seat grandstand on the west side of the playing area.

For the next several years, the stadium remained relatively unchanged. It wasn't until the mid-1970s when it was agreed that it was time to move Taylor Field into the future. A major renovation was done to the stadium, which included the addition of a second level to the west-side grandstand, new offices and dressing room facilities as well as new artificial turf. The renovations allowed the Riders to move all operations into Taylor Field. It was a major step forward for the team.

In 1988, the Roughriders replaced the first artificial turf with a new type of system called OmniTurf. Unlike AstroTurf, OmniTurf was an inlay turf system, which relied on 300 tons of sand to hold it in place (rather than the traditional glued-down system). Over the years, a number of problems occurred with this system and it eventually became necessary to replace it prior to its usable age being reached.

In 1995, the Roughriders' hosted the Grey Cup for the first time.

In conjunction with this, a number of renovations were needed for the stadium to meet the Canadian Football League standards. The existing press box area on the west side of the stadium was renovated resulting in a new area called Club Seating West.

The area was built as a VIP area for the Grey Cup and later became corporate seating for the Riders. Because the new Club Seating area was built, displacing the media from their old seats, another area was needed as a media centre for the championship game. A new Club Seating East area was built on top of the existing east side stands. It was used to house all the visiting media for the big game. Following that, it was split, creating a new Roughrider media centre as well as more corporate seating for the organization.

In 2000, the Roughriders undertook a new turf project. In anticipation of hosting the 2003 Grey Cup, the team began to search out funding to replace the old OmniTurf. Due to great support from the community, the project was accomplished a year ahead of schedule and the new AstroTurf was in place prior to the beginning of the 2000 CFL season.

In preparation for the 2003 Grey Cup, temporary stands were built in the north and south endzones, enabling the grand ol' stadium to hold 51,000 spectators for the 91st Grey Cup championship on November 16th.

With a windfall of just over $2 million in revenue from that Grey Cup, as well as an on-going share offering to its fans, the Roughriders have begun to use this new capital to leverage funds to enhance the stadium even more. Plans were unveiled in December, 2004 to upgrade the facility and take the stadium into the future.

A state-of-the-art video board, sponsored by SaskTel, was unveiled in time for the 2005 season. The SaskTel MaxTron enabled the Roughriders and their fans to watch replays, be entertained and bring the CFL franchise in line with the other member clubs.

A new sound system was also installed in 2005 as well as many other improvements to the east side, including washrooms, concessions and refurbished seats. The Roughriders relocated the student section to the north endzone from section 28, enabling more red zone seating. In the south endzone, a VIP deck and stands was put in place for the start of the 2006 season, allowing the football club to host its corporate game day sponsors.

Prior to the 2007 CFL season, the Roughriders and the City of Regina partnered together to have FieldTurf installed at Mosaic Stadium. The upgrade to the playing surface has already brought forth numerous benefits to not only the Roughriders but all local amateur football teams who utilize the facility.

As more upgrades to the stadium are planned, the football club, in conjunction with The City of Regina, embarked on a 10-year journey with a global, yet grassroots partner in Mosaic Stadium back in 2006. Now, the place where so many legends have played, will be known as Mosaic Stadium.

The football club will also pay tribute to the stadium's first namesake, Piffles Taylor, by way of reconstructing the monument at the stadium entrance in order to bring more attention to this important figure in Roughrider history. Most recently the name of the street in front of the stadium has been changed to read "Piffles Taylor Way".

Without question, the home of the Green and White will continue to remake itself to meet the needs of the League, the Saskatchewan Roughrider Football Club and its fans. But no matter whatchanges lie ahead, the history and appeal of Mosaic Stadium remains unmatched in the CFL.

FRONTIER PETERBILT PRESIDENTS' RING AWARD

Frontier Peterbilt annually presents the Presidents Ring Award to a Roughriders player who has exemplified to his teammates as having exceptional motivation and leadership skills, both on and off the field. The player must also exhibit a commitment to his community by way of charity events and youth-oriented initiatives.

The recipient of the award after the conclusion of the 2008 season was offensive lineman Mike Abou-Mechrek. During his time as a Rider, Abou-Mechrek was committed to making a difference. He led the way in helping raise over $30,000 for the Run for the Cure. He was also the spokesperson for SaskPower's Eneraction and spent numerous hours helping with the KidSport program and travelling around the province as part of the Community Youth Challenge. Abou-Mechrek could also always be found attending charity events and doing his part to make a difference in the lives of others.

TOM PATE AWARD

Saskatchewan Roughrider offensive lineman Jeremy O'Day was honoured with the annual Tom Pate Award at the CFL Player Awards in Montreal during Grey Cup week.

Each year, teams nominate a team member for this award. The recipient should embody qualities that recognize a player with outstanding sportsmanship, who has made a contribution to his team, as well as, to his community association, similar to Tom Pate who had a unique combination of outstanding sportsmanship and dedication to the league and the community.

O'Day has exemplified leadership on and off the field during his ten years with the Roughriders. He has made countless charity and community appearances and currently organizes the Community Youth Challenge which sees Rider players make over 200 school appearances throughout the province every year.

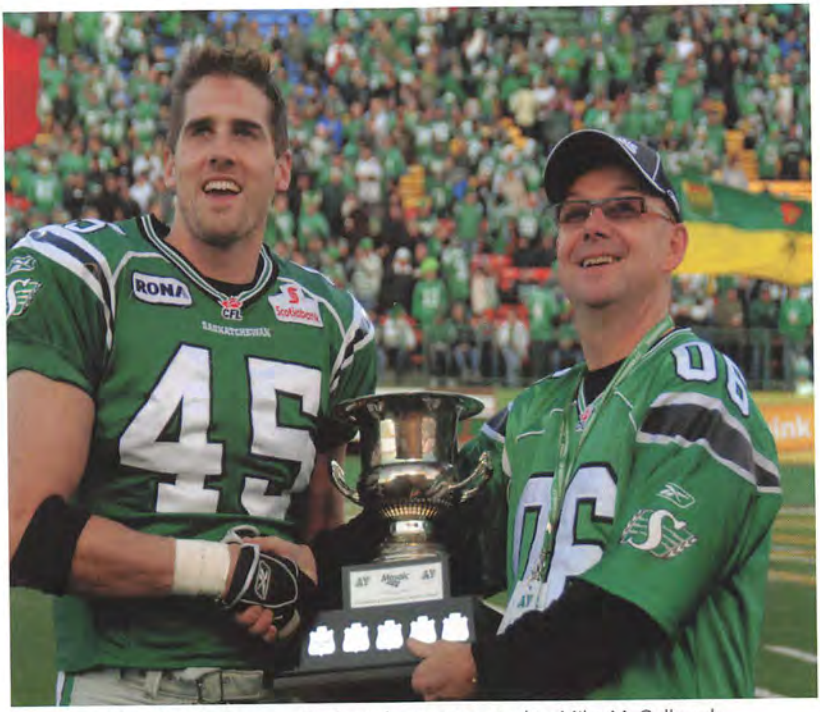
O'Day is the first Rider to receive this award since former defensive back and current defensive coordinator Richie Hall in 1990.

MOSAIC COMMUNITY AWARD

Mosaic Canada was proud to present veteran Rider Mike McCullough with the Mosaic Community Award.

The award is presented annually to the Saskatchewan Roughrider who contributes the most to his community.

In addition to being presented the Mosaic Community Award a cheque for $5,000 was given to Jesse's Journey – a foundation that provides funding for research into Duchenne Muscular Dystrophy - as Mike's charity of choice.



The Mosaic Community Award was presented to Mike McCullough by Mosaic Vice-President of Potash operations Norm Beug.

RIDERS IN THE COMMUNITY

The Saskatchewan Roughrider Football Club is committed to their community. Over the years the organization has worked hard to make "giving back" a priority to the local community as well as offer support to a variety of non-profit organizations throughout the Province of Saskatchewan.

The Green and White strive to contribute significantly to non-profit groups throughout the province which focus on Education, Health & Wellness and Recreation of children and families.

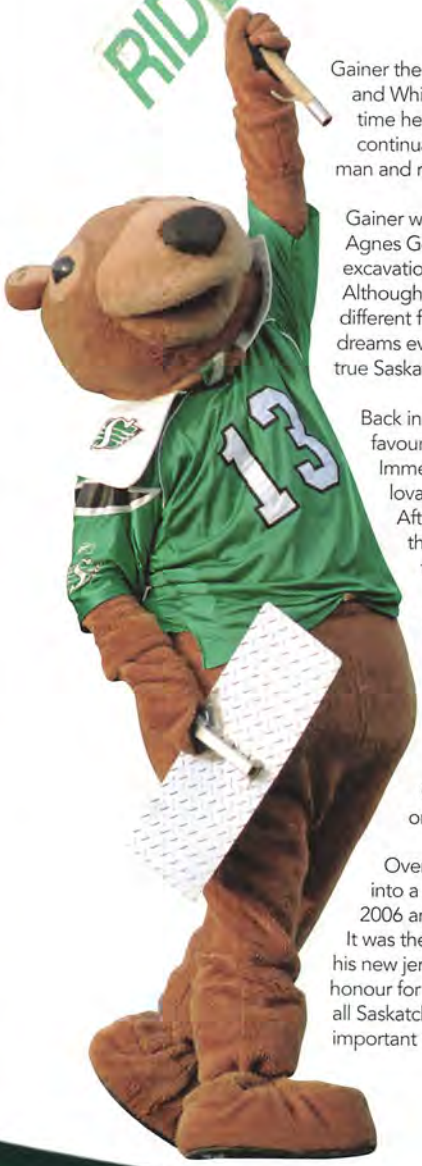
The team's players, coaching staff and administration are always striving to be directly involved in reaching out to others. Players and coaching staff travel thousands of kilometres each year to reach out to our supporters across the Province. They take part in a wide range of activities including school visits, speaking engagements, reading to families and kids and even shooting hoops with students while attending after school programs.

This past season, Rider players travelled to over 125 communities from as far north as La Ronge and as far south as the U.S. border. With each visit they bring the passion and pride which comes with being "Green". It's our way of giving back to the CFL's greatest fans.

Since its inception in 1910, no other team has made an impact on the Province of Saskatchewan like the Saskatchewan Roughrider Football Club. We know that our fans have a wonderful game day experience as shown by our past sell-out season. We remain committed to our community and want to ensure our fans have a wonderful experience with our team away from the field. We look forward to reaching out to more fans throughout the Province this year and to continuing our commitment to those who strongly support us.

YOUR TEAM...OUR COMMUNITY

GAINER THE GOPHER



Gainer the Gopher has been a member of the Green and White family for over 30 years now. In that time he has become a Saskatchewan icon while continually breaking down the barriers between man and rodent.

Gainer was one of 38 children born to Dwayne and Agnes Gopher, owners of a small trenching and excavation company in Parkbeg, Saskatchewan. Although his parents always knew Gainer was different from his siblings, they never in their wildest dreams ever expected one of their own to become a true Saskatchewan icon.

Back in 1977, Gainer bought a ticket to see his favourite football team play for the very first time. Immediately after entering the stadium, the lovable gopher knew he had found his destiny. After leading the crowd in a variety of cheers that day, the Roughriders hired Gainer on the spot and the rest is now history.

Since that special day, Gainer can always be found rallying the fans at Mosaic Stadium. His energy, his enthusiasm and his dance capabilities still remain unmatched by any other CFL mascot. His ingenuity continues to break new ground and in the end, Gainer the Gopher continually proves that he truly is one of a kind.

Over the years, Gainer has grown and evolved into a high-spirited rodent for all to love and in 2006 another important transition took place. It was then that Gainer the Gopher first donned his new jersey bearing the number 13. This was an honour for Gainer as it made him the ambassador for all Saskatchewan Roughrider fans who are the ever-important 13th man.

620 CKRM
RIDER CHEERLEADING TEAM

The 2009 620 CKRM Rider Cheerleading Team will be revving up the crowd with high-flying tosses, stunts, tumbling, and dancing.

Besides their role on the sidelines of Saskatchewan Roughrider home games, the 2009 620 CKRM Rider Cheerleading Team will once again make numerous guest appearances throughout the province. From autograph sessions to charity fundraising events, the 620 CKRM Rider Cheerleading Team is sure to brighten up any event.

The team hosts two on-field events that allow aspiring youth to experience what it is like to be a Rider Cheerleader – Little Rider Cheer Day and Junior Rider Cheer Day (in conjunction with the U of R Cheer Team). For more information about these events or requesting an appearance at your event, visit the Rider website at ***www.riderville.com.***

SASKATCHEWAN ROUGHRIDERS 2009 CHEERLEADING TEAM

At home or on the road, trust Rod Pedersen, Carm Carteri and the entire 620 CKRM Rider Radio football crew to provide Roughrider fans with the CFL's best Game Day coverage.

THE BROADCAST TEAM

Rod Pedersen is entering his tenth season as the play-by-play voice of the Saskatchewan Roughriders. The 36-year old product of Milestone, SK has worked in the sports broadcasting business for the past 16 years after attending Mount Royal College in Calgary in the Broadcasting Faculty. Rod's career has included stints at CFSL Radio in Weyburn, CKBI Radio in Prince Albert and currently with CKRM Radio in Regina, where he has been the Voice of the Regina Pats since 1995 and the Voice of the Riders since 1999. As the Sports Director at Harvard Broadcasting, Rod can be heard on the 620 CKRM morning show, as well as every Monday night on Saskatchewan's top-rated sports radio talk show, "Sportsline". Rod's involvement on Rider games dates back to 1991 when he was sideline reporter and host of Roughrider Warm-up on CKRM. That summer he was also the Voice of the Regina Rams. In 2003, Rod was inducted into the Rural Sports Hall of Fame in Indian Head, SK.

Carmelo Carteri was born and raised in Regina. Carm is a graduate of O'Neill high school, where he began his football career. Carm was an MVP on O'Neill's first city and provincial high school football championship teams. Following his high school career, the linebacker accepted a scholarship to Porterville, CA to attend junior college and play football. He achieved MVP honours once again before moving on to the University of Montana. Carm was the first pick of the Ottawa Rough Riders in 1979, beginning a six-year career in the Canadian Football League that saw him spend three seasons with the Roughriders, two as a Tiger-Cat in Hamilton and one season in Montreal. Carm was an Eastern All-star linebacker in 1981 with Hamilton. He retired from pro football in 1985. Carm is entering his 21st year as a colour commentator for 620 CKRM Rider Radio. His knowledge of the game and of the Saskatchewan Roughrider Football Club is instrumental in the success of each Rider broadcast.
